Christmas activities & gift ideas  
for your loved one

## BelleVie for Christmas

We know that this Christmas people deserve a treat more than ever. Taking the needs and aspirations of the people we support into account, we've put together this handy guide with ideas about activities and gifts we can organise for your loved one during the festive period.

Activities can be found on pages 1-3, and gift ideas starting from £28 can be found on pages 5-6.

If you would like to book an activity or order a gift please do so by emailing [info@belleviecare.co.uk](mailto:info@belleviecare.co.uk) or call us on 01235 355 570, and place your order before Friday, 27th November to allow us time to organise.

### Christmas Companionship & Transport

If you're concerned lockdown restrictions may leave your loved one feeling lonely over the Christmas period we can organise ad-hoc visits, including during Christmas Day, Boxing Day, New Years Eve and New Years Day.

We'll visit your loved one and spend time doing something they enjoy to brighten up their day. This could be preparing a meal, playing a game, having a chat over a hot chocolate or listening to Christmas music.

It is also possible for us to organise transport for your loved one to visit family or friends over the Christmas period, as we know options are often limited during this time.

Please contact us to organise extra visits or transport over the festive period, and we will send you a quote.

## Our Recommended Gift Ideas
